Wadham College, Oxford. September, 1989.

Dear Colleague,

During the International Conference on Prison Education held in Oxford in September several references were made to the Report of the Council of Europe's Select Committee on Prison Education, which was then completed but which had not yet been finally and formally adopted.

I am now pleased to be able to tell you that the Recommendation and Report were adopted by the Committee of Ministers of the Council of Europe in October and so can now be officially circulated. They are due to be published in book form by the Council of Europe in 1990.

I have been in touch with Gerard Normie and he agreed with me that delegates might be interested in receiving the Report, so a copy is enclosed. There is a version available in French also and I would be happy to send such a copy to anyone who would like this.

Hopefully, this report can help to extend in some way further international dialogue about prison education, which I feel was so powerfully stimulated by the Oxford Conference.

Yours sincerely,

Kevin Warner

*Hennery,
I do things slowly, but
I do things eventually.
Glad to see you got
the letter out. I don't
to reply you recently but I have
been very busy. Will do so
soon to see if there are
any replies to the letter.
Take care of yourself,
Kevin
