

Picture summary of the Conference

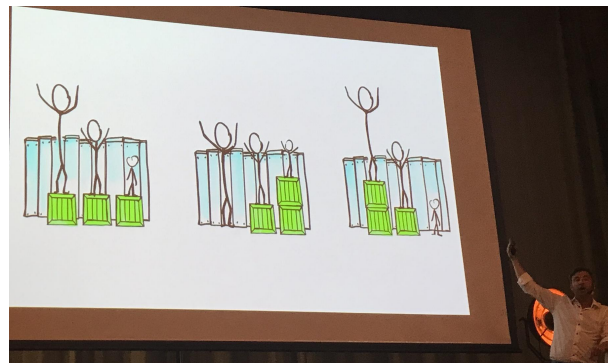

We would like to give you a glimpse of the Conference in Tønsberg. You can find the written program on the website so we thought some pictures would be more pleasant.

Tuesday 13th June

The registration started at 15h o'clock, as Norwegians like.

Opening

How to understand a Norwegian. Comedian Julien S. Bourelle explained the Norwegian mindset. Which out of the 3?

Wednesday 14th June

We visit 4 different prisons and put our thoughts together as we come back.

The group that visited the open regime prison on Bastøy Island just before taking the ferry to the island. One of the highlights: the concert of the prison band playing some touching songs for the group.
